ORTOFOTO

This figure is an aerial orthophoto map of the Pignola area, showing a network of roads. The roads are highlighted with green dashed lines, and orange semi-circles are placed along these lines to indicate the locations of roadside ditch cleaning. The map includes a scale bar in the bottom left corner, ranging from 0 to 2 km, and a compass rose in the bottom right corner. The background is an aerial photograph showing the terrain, including fields, forests, and some buildings.
