This satellite map shows a coastal region with a large body of water on the left. A winding road is highlighted with a green line and orange markers, indicating areas for roadside clearing and gutter cleaning. The terrain is a mix of agricultural fields, forests, and some built-up areas. A scale bar and a north arrow are located at the bottom left and bottom right respectively.

This satellite map displays the Senise area, featuring a large reservoir on the left and a network of roads and fields on the right. Two specific areas are highlighted: a winding road on the left side of the reservoir and a longer road segment on the right side. These areas are marked with a green line and orange semi-circular symbols, indicating planned road cuttings and ditch cleaning for 2024. The map includes a legend in the top-left corner, a scale bar at the bottom-left, and a compass rose at the bottom-right.
